

## PARKINSON'S RESOURCE ORGANIZATION

Working so no one is isolated because of Parkinson's

### MESSAGE

PRESIDENT'S

We just experienced the most extraordinary GUIDED JOURNEY ON THE ROAD TO THE CURE as was humanly possible to have created by ourselves. The Universe gave us a full day and night dedicated to all neurological diseases.

After Father Howard Lincoln blessed our day, we had 10 exemplary experts addressing the topics of: **The When And How Of Caregiving @Home 4 YOU** by Rhiannon Acree, CEO of Cambrian Homecare of Long Beach, CA; **Living Life At The End Of Life** by Howard Cohen, MD, HMDC of Family Hospice Care, Palm Springs, CA; **Assembling The Pieces Of The Elder Law Puzzle**, by Elder Law Attorney William R. Remery, Glendale, CA; **Is Your Financial House In Order?** By David Thatcher, CFP and Chris Risenmay, CFP of Cypress Wealth Services of Palm Desert; **Medi-Cal And VA Benefits** by Lisa Ramsey of Medi-Cal Consulting Services, Inc. of Corona, CA. **Off Episodes, Psychosis and Medical Marijuana** were covered in brief discussions by me; Intently listened to by everyone was **The Impact Of TMJ Disorder And Sleep** eloquently described by, Dr. Maryam Bakhtiyari, DDS, DABCO, FAACP, DIBO, FIAO from Manhattan Beach, CA; **Clinical Trials Provide Some Of The Missing Pieces In The Parkinson's Puzzle** was presented by Tim Welke of Asclepes Research Centers of Panorama City, CA and the pièce de résistance **On The Road to the Cure: The Science** was presented by Ranya Alexander, M.D., Ph.D. and Arvind Bhambri, Ph.D. of ICBII from LaJolla, CA. Interspersed throughout the day were exercises led by Dr. Brandon Rosi of Rosi Physiotherapy, Gloria Landau of Rock Steady Boxing, Desert Cities, and Louise Evans and her team from Mot'us Wellness Center. Just before The Science was presented, a representative from Congressman Dr. Raul Ruiz's office presented us with Certificate of Congressional Recognition... **In honor of your steadfast commitment to provide resources and support to all who are affected by Parkinson's Disease. On behalf of California's 36th Congressional District, thank you for your continued service to our community. Presented this 28th day of October 2017 / Rancho Mirage, California / Raul Ruiz, M.D. / Member of the U.S. House of Representatives / California Congressional District 36 / 115th Congress.**

All of the vendors were located within the symposium room so that the symposium guests could get to them easily as well as so the vendors could take advantage of listening to the speakers. The testimonials from the vendors were wonderful. Many of them carried on dialogs with the speakers after.

The day ran so smoothly, it was so organized and according to our guests it had such rich content, was so informative, so PROvocative and brought such hope and hopefulness. They were all delighted they attended. They left the day invigorated, renewed and lively primarily because of the exercises between the speeches and the information and hope they gathered.

DVDs of the **A Guided Journey On The Road To The Cure** will be available in time for the holidays. Pre-orders are available until November 30, 2017 at the discounted price of \$29.95. Prices increase to \$49.95 effective December 1, 2017.

Because our time was limited by having the Symposium and dinner, we are filling this Newsletter with pictures of the event!

Thank You all, who participated, for your tax-deductible donations giving us the opportunity to help MORE – to help MORE people, MORE often, MORE timely, with MORE information in a MORE compassionate way.
